Compare College TX is an interactive, easy-to-use website that lets you compare wage data for graduation rates by major, tuition and fees, student demographics and acceptance and graduation rates for every public university and community college across the state.

Find the school that's right for you with Compare College TX.

The screenshot shows the Compare College TX website interface. At the top, there's a navigation bar with 'Home', 'About Us', 'Find Colleges', and 'My Colleges (0)'. Below the navigation bar is the site logo and a welcome message. The main content area features a search bar with a dropdown menu for 'Search by College name' and a 'Go' button. Below the search bar are three filter sliders: 'Avg. tuition and fees per year' (ranging from \$4500 to \$12000), '% of applicants accepted' (ranging from 0% to 48%), and '% who graduate in 6-years' (ranging from 0% to 90%). Below the filters, it says '2 colleges found' with a 'Go to Find Colleges' button. At the bottom, there are three statistics: 'Increase in annual postsecondary credentials earned compared to levels in 2000' with an upward arrow icon, '61% Texas Average', '126% Hispanic', and '74% African-American'.
